A PROPOSAL FOR

STUDIO BLOOM

A thoughtful brand and website
for a well-being studio with purpose.

Good ideas.
Real people. Meaningful impact.

01 / INTRODUCTION

HI, STUDIO BLOOM!

A CALM DIGITAL SPACE.
A BRAND THAT FEELS LIKE YOU.

Thank you for considering me for your project. This sample explores how a warm, intentional identity and a thoughtful website could help a well-being studio connect with its community.

The creative direction pairs soft colors, expressive details and clear information. The goal: make it easy for visitors to understand your approach, explore your services and get in touch.

THE IDEA
AN AUTHENTIC VISUAL WORLD THAT FEELS WELCOMING, GROUNDED AND EASY TO NAVIGATE.

Prepared as a design demonstration. Studio Bloom, its needs and the proposed commercial terms are illustrative.

02 / SCOPE OF WORK

WHAT IS INCLUDED.

BRAND STRATEGY AND VISUAL IDENTITY

One creative direction, color palette, typography, primary logo, secondary logo and a concise brand guide.

WEBSITE DESIGN UI AND UX

Custom design for up to five pages: Home, About, Services, FAQ and Contact. Desktop and mobile layouts.

FRONT-END DEVELOPMENT

Responsive implementation, contact form, basic metadata, sitemap and performance checks.

CONTENT GUIDANCE

Page structure and guidance for client-supplied copy and photography. Copywriting and photo production excluded.

POST-LAUNCH SUPPORT

One month of support for defects related to the agreed deliverables. New features quoted separately.

03 / PROCESS & TIMELINE

A CLEAR, COLLABORATIVE PROCESS.

An illustrative eight-week schedule, starting once the scope is agreed and the required content is available.
